1 INTRODUCTION

1.1 PURPOSE OF COMMUNICATIONS MANAGEMENT PLAN

The overall objective of a Communications Management Plan is to promote the success of a quality improvement efforts within the Division of Public Health by meeting the information needs of project stakeholders. The Quality Improvement Council Communications Management Plan (CMP) defines the project’s structure and methods of information collection, screening, formatting, and distribution and outline understanding among project teams regarding the actions and processes necessary to facilitate the critical links among people, ideas, and information that are necessary for project success.

The intended audience of the Quality Improvement Council CMP is the project manager, project team, project sponsor and any senior leaders whose support is needed to carry out communication plans.
