Key:

Green = Codes that have been end-dated

Red – new codes

Blue = codes added with this revision

- * NOTE: If components of an office visit are done, then this service should be billed using the appropriate level of E&M code (e.g. 99211). *These local codes would not be billable to the patient in addition to the E&M code.*
- ** NOTE: If any exam of this type is billed to Medicaid or other third party using a CPT or HCPCS code, the ALL exams of this type must be billed using that same code and *the local codes may not be used to differentiate fees for the same service billed to patients as opposed to third party payors.*
