Please see attached status report that will be presented to the NCALHD Technology Committee on Wednesday (status report is posted at <http://publichealth.nc.gov/lhd/icd10/status.htm>). All of the updated information related to the project is included in the attached report. Please note that the attached project schedule dates for key deliverables are still in draft form. I will send you the complete Project Schedule once approved – hopefully next week. Please let me know if you have any questions. Thanks!
