Decision Tree - Service Coordinators’ Billing of Targeted Case Management (TCM) BEFORE Evaluation

Service Coordinator Begins Working with New Family

Are you billing for TCM BEFORE Evaluation?

No

STOP
No coding needed

Yes

Was child referred with Established Condition?

No

If child referred with possible developmental delay use ICD-10 Code Z13.4 Encounter for screening for certain developmental disorders in childhood.

Yes

Use ICD-10 Code associated with Established Condition. If multiple codes exist, use the most severe or significant code.
